Data for The Emergency Food and Shelter Program (formerly CFDA 83.523, now CFDA 97.024), are reported annually in the third quarter of each fiscal year. All the data are reported in county aggregate format. Some of the data, however, cannot be attributed to individual county areas. In such cases the county code of the state capital is used and the “state-wide” designation is used in the place of performance data field. This code consists of the appropriate 2-digit state code followed by 5 asterisks (example: 01*****).
